NOTICE ISSUED: August 3, 2015 at 8:00 am

CLEARLAKE COURTHOUSE REMAINS OPEN

The Clearlake Courthouse is in the advisory evacuation area as a result of the Rocky Fire in Lake County. **However; as of the date/time this notice was issued, the Courthouse will remain open and conduct business as scheduled.**

The Court has been advised by local officials that government services in an “Advisory Evacuation” are not required to leave immediately; however, they should be prepared to evacuate at any time, and continue to monitor the fire situation. The Court has confirmed with local officials that it is acceptable to remain open for business at this time.

Fire conditions are changing rapidly. Therefore, this information is subject to change at any time without notice. In the event a mandatory evacuation order is issued for the area which includes the Clearlake Courthouse, the court will close and evacuate all staff and members of the public immediately. Should that occur, additional information will be posted to this website. The Court can be reached at (707) 994-6598 or (707) 263-2374.

The most up-to-date, accurate information on the fire and evacuations can be obtained from Cal-Fire at www.fire.ca.gov or (707) 967-4207.
